

PIVOTAL EDUCATION

BEHAVIOUR, SAFEGUARDING, TEACHING & LEARNING

How we behave

Contributed by Gillian Lynn Sangster

All resources in the "Contributions" section of our resource bank have been submitted by delegates on our Taking Care of Behaviour Online course. For more information about this practical, self-paced course, please visit

<http://www.pivotaleducation.com/taking-care-of-behaviour-online/>

How we behave

We follow instructions immediately

We respect ourselves and each other

We think before we speak and act

We listen to what others have to say

We raise our hands to speak to a teacher

**We remember to say please and
thank you**

We stand when an adult enters the room

We work to the best of our ability
